

JET-SET OFFSET

HAPPIER, MORE SUSTAINABLE TRAVEL STARTS HERE.

Jet-Set Offset for Business integrates with SAP Concur solutions, helping your employees travel more sustainably.

Jet-Set Offset aligns with your corporate sustainability goals and allows you to integrate carbon offsets into your travel budget at a pace that makes sense for your company...all while encouraging greener travel choices and increasing employee engagement.

With an automatic donation platform that also offers opportunities for meaningful employee engagement, Jet-Set Offset makes the shift toward sustainable travel simple, positive, and achievable.

Jet-Set Offset is a fundraising tool for climate-focused environmental nonprofits.

Our partners are protecting the planet and reducing societal carbon emissions in various ways.

We facilitate automatic carbon offset donations for business and individual travelers.

The number of global air travelers will **double in the next 20 years.**

Air travel could account for **25% of global carbon emissions by 2050.**

Flygskam, or flight shame, is a growing global phenomenon, and travelers have few options.

Business travel could account for more than half of your company's carbon footprint.

With Jet-Set Offset and SAP Concur, you can easily put a plan for more sustainable travel into action.

Why Jet-Set Offset? Our unique approach:

A more sustainable travel experience for your employees:

Use Jet-Set Offset notifications to prompt employees to choose more sustainable or alternative travel options (like train transportation or lower-emission flights) when they book through Concur Travel. Jet-Set Offset's automatic engagement tools offer opportunities to share your company's sustainability goals and initiatives, green travel tips, and encourage employees to participate in social sharing.

An earth-friendly plan for travel managers, sustainability officers, and human resources departments:

Jet-Set Offset uses booking and expense data from Concur Travel to help you automatically meet corporate sustainability goals with actionable, mileage-based offsetting donations for employee travel.

A simple, inspiring solution for sustainable business travel:

As the first carbon offset option for Concur Travel, Jet-Set Offset is making the shift toward sustainable travel simple, positive, and achievable for companies of all sizes.
